

CHÂTEAU SAINT-AUBIN

Le rosé de L'Isle

The rosé de l'Isle allies the vigour and taut from the Cabernet Franc to the crisp, fresh fruit from the Carmenère. To drink in his young age, it will get sweeter through the years.

Château Saint-Aubin is a Medoc property of a single taking. Charles Fernandez de Castro restructured and led with passion his family estate. Located on graves, it offers a wide range of grape varieties: Merlot, Cabernet Sauvignon, Cabernet Franc, Petit Verdot, Carmenere and Malbec.

This blend of grapes produces a balanced wine that combines power and elegance, charm and complexity.
