

CHÂTEAU SAINT-AUBIN

Nolite Nocere

Our special cuvée comes from the old vines that grow on a specific gravel slope. All the finesse from our Merlot, associated to the robustness of our Petit Verdot. The twelve month ageing in new barrels, selected for their smoothness, is backing up to the black fruit and spices, while bringing a lot of complexity to this dense, silky wine.

Château Saint-Aubin is a Medoc property of a single taking. Charles Fernandez de Castro restructured and led with passion his family estate. Located on graves, it offers a wide range of grape varieties: Merlot, Cabernet Sauvignon, Cabernet Franc, Petit Verdot, Carmenere and Malbec.

This blend of grapes produces a balanced wine that combines power and elegance, charm and complexity.

GRAPES VARIETIES

Petit Verdot 70%, Merlot 30%
